

Cod: 7611

Air fryer without hood 3.2 litres

Description

Air fryer without hood capacity of 3.2 litres fries up to 5 portions of crispy and delicious fries at once, digital display and 7 pre-programmed settings meat, fish, shrimps, chicken, steak and cakes can be started at the push of a button. Thanks to the unique combination of circulating hot air and easy-to-adjust temperature, cooking is healthy and low-fat. The high-speed air convection technology allows you to use no oil for perfect crispy results. Using no oil also saves you mess, allowing you to leave your kitchen ready for daily use. Serving food is easy and safe, thanks to the removable basket with insulated handle. Thanks to the non-slip feet, the fryer is stable on virtually any surface and cannot easily fall or slip. Another safety measure is the overheating protection that ensures that it does not get too hot. This fryer is versatile in that it can also grill, roast and bake your favourite dishes. If you prefer to use customised time and temperature settings, the digital control panel with integrated timer allows you to adjust them easily. For crispy results, we recommend adding a spoonful of oil if you use fresh potatoes and it can also reheat food without drying it out like a microwave oven. NB: Non-professional equipment.

Dimensions

Dimensioni esterne	318x318x380 mm
