Lava stone grill with hob 385x400 mm

Description

Countertop lava stone grill. Stainless steel construction with practical 3-level grill adjustment system. Removable front fat collection drawer. Stainless steel cooking grid, with special design that prevents cooking fat from dripping over the lava stone (this improves cooking quality and extends the life of the lava stone itself). Perimeter splash guard on three sides in stainless steel. Height-adjustable feet. Equipped with safety thermostat and pilot flame. The product can be operated on either gas or natural gas and has ignition by means of an open flame. Supplied with 1 complete supply of lava stone.
