Lava stone grill with hob 585x400 mm

Description

Countertop lava stone grills. Stainless steel construction with practical 3-level cooking grid adjustment system. Removable front grease collection drawer. Stainless steel cooking grid, with special design that prevents cooking fat from dripping over the lava stone (this improves cooking quality and prolongs the life of the lava stone itself). Perimeter splash guard on three sides in stainless steel. Model with 1 or 2 independent flame regulators, so you can choose whether to cook on 2/3 of the surface or 1/3 of the surface. Height-adjustable feet. Equipped with safety thermostat and pilot flame. Ignition via open flame. Supplied with 1 complete supply of lava stone.
