Fry top gas lava stone grill 12 kW 60x60x28h cm

Description

Fry top lava stone grill, stainless steel construction. Thermosetting plastic knobs. Heating by means of two two-branch stabilised flame burners. Equipped with a safety gas cock that allows the power to be adjusted from maximum to minimum. Safety ensured by a thermocouple kept active by the pilot burner flame. Fixed meat grill supplied. Two independent cooking zones, each with temperature regulation controls. Stainless steel worktop with rounded edges for easy cleaning. Inclined and facing grease drain hole, connected to a large capacity container below the cooking surface. Tested with methane or LPG gas according to user requirements.
